

Wood Badge Ticket Worksheet

A Personal Statement of Vision and Mission

My Vision: In 18 months, I, Brian Rodgers, see myself as a more educational leader, so that I can lead or coach my group to accomplish or learn differences of people & cultures.

Goal/Ticket Item # 1 Strengthens Me x Strengthens My Group x

Goal: Teach scouts about international cultures, language, and scouting around the world.

Who: The lesson will be taught by members of the Pack and adults that understand goal & have expertise on (two subjects).

What: Having an International campout will allow the boys to have fun through an outdoor experience with the hidden goal of teaching them about different cultures, foods, sports, and languages

Where: Have the event in a long camping area that will meet the BALLO requirements in camping.

When: Spring of 2013. This will allow for the stations to be set up & planned out correctly with the proper counseling support.

How: How representations of people to discribe the new culture area and teach language for Heritage belt loop, teach the differnce of food and the scouting in that area.

Why: We live in a Big world and understanding the differences of each culture help combate racism & fear.

How Verified: Have a counsilor meeting after the activities to discuss the lessons and things learned.
