How To Wear The Neckerchief

1. Fold the long edge over several small flat folds to about 6 inches from the tip of the neckerchief. A tight fold prevents gathering around the neck and is more efficient than rolling or twirling.
2. Place around the neck over turned-under collar of uniform shirt. Or, wear under shirt collar if desired.
3. Draw neckerchief slide over ends and adjust to fit snugly. Let neckerchief ends hang loose.
4. The portion of the neckerchief showing below the back of the neck should measure no more than 6 inches.
